Customer Referral Bonus Program

We're excited to launch our inaugural referral bonus program! Help us enhance workplaces by referring our exceptional commercial cleaning services. With every successfully converted referral, you'll receive a 50% discount, with savings of up to \$500, on special floor cleaning services like deep carpet cleaning or hard floor scrubbing. This is our way of showing our gratitude. Let's team up to create cleaner and more inviting office spaces together!

Meet the CEO, Michelle Lee

Meet Michelle, our problem-solving leader with dual degrees in Electrical Engineering from MSOE and FHL University in Northern Germany. Michelle's commitment to Milwaukee's growth and her dedication to a clean work environment led her to acquire Clean Choice in January 2023. When not at work, she loves spoiling her rescue dogs and embarking on family camping trips.

Meet the Operator, Alex Bernt

Alex, a former tennis coach from Sioux Falls, SD has joined us at Clean Choice. Equipped with a Business Administration degree from Coe College and a Software Engineering Certificate from Fullstack Academy, he brings a versatile skill set to our team. Beyond work, Alex is an avid Crossfit enthusiast and accomplished marathon runner, most recently running the Boston Marathon this past April.
